## **IMPORTANT NOTICE - SITE UPDATES**

Please note that there will be no further updates made to the site over the next few days (ie. from Friday 15/10/21 up to and including Tuesday 19/10/21).

All photos, reports, programme reviews, news, etc covering matches played over this coming weekend will be uploaded once again in the usual way from Wednesday 20/10/21.

Due to the delay, contributors may prefer to wait until the middle of next week before sending in their articles for publication.

In the meantime enjoy your games wherever you get to!

Best Wishes, Martin *FGIF* (14/10/21)
