**TT No.004: 15/01/05 - Ground Focus: *Andy Sneddon* - Greenhill FC (MCFL);**  
Match Stats v Bolehall Swifts Res; 2-0; Att: 16; Programme: 24pp, £1 (available pre match from dressing rooms and pitch-side). Based at Greenhill Youth Centre, Long Lane, Blackheath, the facilities are rather basic but the welcome very warm indeed. It's essentially a large open space with two pitches, the near pitch being the main one which is partly roped on the near side with dugouts. There are no other pitch-side facilities. Sec Matt Adams is a very knowledgeable and friendly young chap (normally plays but was injured today) and a great ambassador for the club. He welcomed us with open arms and free tea was supplied both before the game and at half time. The programme is a regular issue and a very presentable first effort. Web Ed - Cheers Andy. Just what we want!
