TT No.066: 02/04/05 Ground/Club Focus: *Dennis Woods* - Evergreen (HSCLP)

On Saturday 2nd April I saw Evergreen play Chipperfield Corinthians in the Herts Senior County League Premier Division.

Evergreen's ground is about a mile from Kings Langley railway station. On leaving the station exit, turn left and you will be in Station Road, keep walking straight and you will walk under both the M25 and then the railway line. The road changes into Gallows Hill and then Lauderdale Road then you will come to a T-junction turn left into Hunton Bridge Hill and this road bends slightly and becomes South Way and you will see the football club at the bend in the road close to the pedestrian traffic lights. On route there is the Unicorn pub which has Tetley's on hand pump.

The ground is basic, but has hand standing behind one goal and along one side of the pitch. Other than brick-built dugouts there is no cover at the ground. The club does however have a good clubhouse.

Evergreen won the match 1-0 with the only goal coming in the first 5 minutes of the second half. A basic 8-page programme sold for 50p and the attendance was 36.
