**TT No.079: 13/04/05 Ground/Club Focus: *Dave Reed* - Hinckley United (NCN) and Moor Green (NCN) at Solihull Borough FC**

It was a relaxing weekend for me as I had two trips to the Midlands courtesy of Geoff Combes who drove on both occasions. Saturday saw us at **Hinckley United's** new ground and I was reasonably impressed with what I saw although somewhat surprised at the lack of fencing round the playing area. We got a pretty good game with visitors Harrogate deservedly taking the points, I thought.

Sunday saw us driving up the M40 for **Moor Green's** home game against Worksop, being played of course at **Solihull Borough**. A small crowd saw Moor Green take three vital points with a 2-0 win although the result was only settled in the last minute. Perhaps understandably, the quality of football was not as good as the previous day.
