

TT No.091: 25/04/05 Ground/Club Focus: *Mike Latham* - Great Harwood Town (NWCL1)

Fri 22 April, NWCL1, Great Harwood Town 3-1 Abbey Hey (att. - 87)

Great Harwood maintained their hopes of escaping relegation with a 3-1 victory on Friday evening. They have been unable to play at their own ground since January following an arson attack on their club house and have used Accrington Stanley, Darwen and Colne for home games.

This game was once again staged at the Interlink Express Stadium in Accrington and there was a surprise in store. The programme compiler, John Fenton, had produced a quite magnificent 88-page programme full of facts, stories, articles, cartoons and statistics- easily the best the writer has seen this season and amazing value for £1.

The whole ground was open for the sparse crowd to walk around- the distinctive main stand with its supports on the roof, a covered terrace opposite and two uncovered ends. The ground can be found behind the Crown pub on the Whalley road out of Accrington.
